The World Cup will be held in Baku, Azerbaijan, on June 22-23, 2013.

We would appreciate if your country will be represented in this important event. We challenge national federations who are normally not participating in international climbing competitions to join as well, so the competition among athletes will be breathtaking. We remind you that participating athletes need to measure up to the IFSC criteria . (Please see <http://www.ifsc-climbing.org/index.php/world-competition/categories>)
