

# Up The Rocks club Venturous Lifestyle in Armenia

July 1-31, 2009

## *Invitation*

Our club **Up The Rocks** is organizing “**Arev**” **Armenian First Ascent Festival** on July 1-31, 2009. During the month the Festival will be held on five different rocky massifs where the rocks (limestone and basalt columns, up to 400m high) have almost never been climbed.

“**Arev**” Festival’s goal is to make the unclimbed rocks in Armenia known worldwide among the climbers and to develop the rock climbing in Armenia.

We would be very glad to host the members of **Polski Związek Alpinizmu** to our Festival. We would also be very thankful if you would like to become an information partner of the Festival.
