Dear Mrs President,

In the face of the unprecedented, brutal invasion of the Russian army on the territory of free and sovereign Ukraine we appeal to the ISMF Management Board to immediately exclude the Kamchatka Race from the ISMF Calendar. We also appeal to revoke the membership of the Russian Mountaineering Federation.

The governments of Russia and Belarus have broken the Olympic Truce. At this time it is impossible to compete on the basis of fair-play rules with the participation of Russian players, at any level. This is especially true when Ukrainians have to defend their homes. Only decisive action taken by countries and international organizations can stop this senseless aggression. We appeal to the ISMF Council to revoke the membership of the Russian Mountaineering Federation.
